# Welcome to...

# ...TERM 2!

Dear Parents, Guardians and Students!

Welcome back to school! We are looking forward to another term of learning and partnership. We are committed to helping every student succeed in school that is why we want to clearly communicate to you everything that concerns you and your children. We would also like to invite you to continue your support and constant participation in the various activities we offer for the benefit of our students.

In this issue, we carry on giving you updates about our school. We would also like to inform you about the different programmes and activities your children have been involved into and about other activities which will be available for them in the future. Keep on reading! Enjoy!

## IBS 3 celebrates Mother's Day

Annually, a special event dedicated for her majesty the queen and for all mothers in Thailand is held in IBS 3. Last August 11, 2010, we paid tribute to all mothers through a programme wherein selected students from the primary and secondary level participated in variety of presentations. Interpretative dances were performed by selected students from Spirit, Endeavour and Friendship houses. The students from Grade 1 to Grade 6 also

awarded the audience with their own lively performances. This celebration was an opportunity for our students to showcase their talents and abilities. Some parents were also given a chance to deliver their messages to everyone through a video presentation. This wonderful occasion ended with giving of flowers and tokens to the mothers in the audience.

## Science Week '10

With the theme, "Enlighten your mind, brighten your idea through Science and Technology", the IBS community engaged itself to a variety of science-related activities and games that provided an occasion to our students to demonstrate what they have learned in their science classes integrated with other subjects.

Students from the primary and secondary level were given opportunity to answer the trivia question of the day. A daily lucky draw was done every after morning assembly and the students' names drawn with the correct answer have won.

A three-day science quiz bee was also held for the primary and secondary students. In the primary level, 15 representatives from each class competed to one another. On the other hand, the secondary level contended by house. An essay writing contest and a poster-making contest were also been available for the secondary students.

The following are the winners in variety of activities during the Science Week:

## October Camp 2010

Last October, IBS 3 offered meaningful experiences to our students by opening an English Camp for all those who wanted to enhance their language skills through an advanced learning programme. This in-campus camp provided also an opportunity to engage in outdoor adventures such as trips to Siam Ocean World, Safari World,

We also had a group of students who joined in the study tour to Nanning, China. This month-long trip exposed them to different Chinese cultures and learning. They had fun going around beautiful places and enjoyed learning about Chinese language and ethnicity. The following are the students who spent their time in the said tour:

## First Halloween Celebration at IBS

It was a fun and scary day for all as the students and teachers dressed up for the first Halloween celebration of IBS 3. Students wore vampires, witches and other creepy costumes that made the Friday of November 29 more exciting. A "haunted house" was also set up by the members of Friendship, Endeavour and Spirit houses. Students from Kindergarten up to Grade 12 were given a chance to visit and get themselves some tricks and treats. At the end of the day, Spirit house bagged the award for the "scariest house" while Endeavour and Friendship were tied up for the 2<sup>nd</sup> place.

For the Best in Costume competition, the following students were chosen:

- |              |   |  |
|--------------|---|--|
| Kindergarten | - | Chanittha Sastwej (Jaja)   |
| Primary L1   | - | Pranujchaya Jongjeerakarn (Bam Bam)  |
| Primary L2   | - | Panuwat Chaleaysuk (Parahan)   |
| Houses       | - | Ua-angkun Jantararat (Dos)<br>Pattavee Saiwaree (Dee)<br>Punyada Yadachayakran (May) |

It was a fun Halloween celebration, indeed. Some students from the primary and secondary also performed some dances. We hope to have another one next year! Thank you for your cooperation!
